

Glazebrook, A. (2015) "A Hierarchy of Violence? Sex Slaves, *Parthenoi*, and Rape in Menander's *Epitrepontes*", in *Beyond Courtesans and Whores: Sex and Labor in the Graeco-Roman World*, *Helios* 42.1, 81-101.

This article argues that Menander (and others) constructed the experience of sexual violence differently based on the status of the survivor.
