

Cenerini F. (2019) “«Ventrem feri»: il ‘potere’ di Agrippina Minore e il rapporto con il figlio Nerone”, in M.T. Guerrini, V. Lagioia and S. Negruzzo (eds), *Nel solco di Teodora. Pratiche, modelli e rappresentazioni del potere femminile dall'antico al contemporaneo*, Milano, Franco Angeli, 50-9.

One of the most discussed and controversial figures in the history of the Julio-Claudian dynasty is undoubtedly Agrippina the Younger daughter of Germanicus and Agrippina the Elder, sister of Emperor Caligula, wife of Emperor Claudius and mother of Emperor Nero. The essay attempts to highlight her activities and her political-dynastic role, beyond the negative assessment of classical Roman historians.
