
Cenerini, F. (2020) “Il ruolo delle donne nella vita di Caligola”, *Rivista Storica dell’Antichità* 50: 153-76.

In this paper the women who played a particular role in the life of Emperor Caligula are analyzed. The matrimonial strategies of this Emperor, which are not the result of whimsy or lust, but are due to a precise political choice, are examined in depth.
