

Hänninen M.-J. (2016) “Livia's Economic Activity”, in R. Berg (ed), *The Material Sides of Marriage. Acta Instituti Romani Finlandiae vol. 43, Roma, 203–09.*

The paper studies various evidence of the economic activities of Augustus' wife Livia. Furthermore, the paper aims to discuss Livia's economy in relation to the traditional roles of Roman noble matrons as well as the economical ideals and thought of the Roman aristocracy in general.
