

Cenerini, F. (2022) “Auguste o ‘imperatrici’?, in B. Girotti, G. Marsilio and M.E. Pomera (eds), *Il potere dell’immagine e della parola. Elementi distintivi dell’aristocrazia femminile da Roma a Bisanzio*, Spoleto, Fondazione Centro Italiano di Studi dell’Alto Medioevo, 1-22.

In this article, the ambiguity of the role of the Augustae or 'Imperial Women' in the Roman empire of the first two centuries is investigated, both in terms of their role in the domus Augusta and coeval society, and in terms of their predominantly negative historiographical characterization.
