

Pitts, A.L. Bartolo N. Hallett, J.P. (eds) (2022) *Ancient Women Writers of Greece and Rome*. Routledge.

This sourcebook features extant writings of major female authors from the Greek and Roman world, brought together for the first time in a single volume, in both their original languages and translated into English with accompanying commentaries. Pitts provides the sourcebook materials for the section on women writers of the ancient Greek world (Sappho, Corinna, Erinna, Anyte, Nossis, and Praxilla). These materials include introductions to each author, Greek texts, vocabulary and commentary appropriate for intermediate through advanced readers of Greek, English translations, selected bibliography for further reading, appendices on dialect and meter, and Greek-to-English glossary.
