

**Hänninen M.-J. (2000) *Women as Worshippers of Juno from the Mid-Republican to the Augustan Era*, doctoral dissertation.**

The dissertation studies the role of women in Roman cults of Juno, beginning from the role of the goddess in the various phases in the life of a woman. Furthermore it explores women's roles and agency in the calendar festivals of Juno, in the rites of crisis, and in the *Ludi Saeculares*.
