

Cid López, R., Domínguez Arranz, A. and Marina Saez, R. M. (2021) *Madres y familias en la Antigüedad. Patrones femeninos en la transmisión de emociones y de patrimonio*, Gijón, Trea.

Another example of the solid research carried out by the group DEMETER. In this particular case, the book focuses on maternity through two concepts/aspects that are apparently contradictory, namely emotions and patrimony. The volume explores the social and cultural negotiation of ancient women for their placement in the ancient world.
